

"HE SAID HE'D LOVE ME, IF I..."

Alicia Rooks

Nova University

He said, he'd love me, if I...
If I...gave him my number.

He said, he'd love me, if I...
Not knowing, that I...was just another member.

He said, he'd love me, if I...
If I... would go out on a date.
He said, he'd love me if I...
If he loved me, "why did he keep me out so late?"

He said, he'd love me, if I...
If I...would play mom & dad.
He said, he'd love me, if I...
But, sex before marriage is bad!

He said, he'd love me, if I...
If I...would let him touch my chest,
He said, he'd love me if I...
But now, he treats me like, the rest!

He said, he'd love me, if I...
If I...would let him get close,
He said, he'd love me, if I...
"All of these drugs!" "I could overdose!!!"

He said, he'd love me, if I...
If I...would let him have his way,
He said, he'd love me, if I...
Now, I'm ashamed to even pray!

He said, he'd love me, if I...
If I...would have his baby,
He said, he'd love me, if I...
But, now it's his, maybe!

He said, he'd love me, if I...
If I...would play his clown,
He said, he'd love me, if I...
Now, he's nowhere around!

He said, he'd love me if I...
